Reading through the Bible in a year is a great goal for 2012. It will take approximately 20 minutes each day to complete the task. Every quarter throughout the year, there will be posted reminders to encourage you in this exciting opportunity.

If you fall behind, don't worry, keep reading even if you have to skip a week. A children's version is available by checking with the Kid's World staff. Let's make it a family project for 2012.

If you complete the year of readings, please let the church office know of your accomplishment. Complete the following form and drop it in the offering or drop it by the church office.
